American Driver & Traffic Safety Education Association

2024 ADTSEA Conference Call for Papers

ADTSEA Presenter Policy

All presentation proposals shall be submitted through google forms (***no later than January 16, 2024).*** Google form is available at the Link and QR Code provided each year.

2024:   https://forms.gle/djkfVxX8PqupY1nW8

Presentations marketing or selling products or services shall not be considered.

Presentation topics may not be changed without prior written approval from ADTSEA.

Presenters are expected to give a professional high-quality presentation relating to Driver Education and Traffic Safety topic areas listed on page 2.

Presenters need to follow the *ADTSEA Presenter/Presentation Guidelines* that can be found at https://www-adtsea-org.site.atfni.com/webfiles/fnitools/documents/adtsea_presenter-presentation_guidelines.pdf.

Presentations shall allow for participant interaction, stay on schedule, and provide a minimum of 10 minutes at the end for participant questions. ADTSEA does not provide honorariums or travel expenses for presenters.

Presenters shall submit their final presentation electronically to ADTSEA at office@adtsea.org a minimum of 10 working days prior to the conference.

Presenters shall notify ADTSEA at office@adtsea.org as soon as possible if they are unable to do their presentation at the ADTSEA conference. These presenters may identify a replacement and submit the replacement's bio. ADTSEA will notify the original presenter and replacement if the change is accepted.

Presentation handouts are the responsibility of the presenter. ADTSEA will not duplicate presentation materials.

ADTSEA reserves the right to duplicate, distribute and post to the ADTSEA web page all presentations.
